**Dm** **G**  
It wasn't rain that washed away  
**Dm** **Am**  
Rinsed out the colours of your eyes  
**F** **C**  
Putting the gun down on the bedside table  
**Dm** **G**  
I must have realized.

**Dm**  
It wasn't the rain  
**G**  
That made no difference  
**Dm** **Am**  
And I could have sworn it wasn't me  
**F**  
But I did it all so coldly  
**C**  
...almost slowly  
**Dm** **G**  
Plain for all to see.

**A** **F**  
Oh c'mon please now  
**G**  
Talk to me  
**C** **G** **D7(sus4) D**  
Tell me; things I could find help - ful  
**F** **C**  
How can I stop now...  
**G** **D7(sus4) D**  
Is there nothing I can do  
**F** **C**  
I have lost my way  
**Em** **Dm**  
I've been losing you.

Dm G  
I can still hear our screams competing

Dm Am  
You're hissing your s s like a snake

F C  
Now in the mirror stands half a man

Dm G  
I thought no one could break.

Dm G  
It wasn't the rain that made no difference

Dm Am  
Nervously drumming on: Run away!

F C  
But I want the guilt to get me thoughts to wreck me

Dm G  
Preying on my mind.

A F  
Oh c mon please now

G  
Talk to me

C G D7(sus4) D  
Tell me; things I could find help - ful

F C  
How can I stop now...

G D7(sus4) D  
Is there nothing I can do

F C  
I have lost my way

Em Dm  
I've been losing you.
