Here Comes Summer
The Dave Clark Five

I saw other people posted the chords already, but both in the wrong key and they

didn t include the key changes which make the song so exciting to the listener.

```
G                             C             D7
Here comes summer, school is out, oh happy days,
           G                      C            D7
Here comes summer, gonna grab my girl and run away
G                           C            D7
If she s willing, we ll go steady right away,
            G                      C     D7     G
Oh let the sun shine bright on my happy summer home.

G                         C                D7
Here comes summer almost June, the sun is bright.
           G             C             D7
Here comes summer, gonna see her every night.
         G                    C                D7
It s the greatest, lots more time to hold her tight.
            G                      C     D7     G
Oh, let the sun shine bright on my happy summer home.

C
School is not so bad, but the summer is better
   G
It gives me more time to see my girl.
C
Walk through the park beneath the shiny moon,
    A                      D7
Oh, when we kiss she makes my hair curl.

D#7
          G#                C#                D#7
Here comes summer, feel her lips so close to mine.
            G#               C#                  D#7
Here comes summer, when we meet her eyes both shine.
          G#                    C#              D#7
It s the greatest, let s have summer all the time.
             G#                    C#     D#7
Oh, let the sun shine bright on my happy summer home.
