```
  Dm            F                Am                C
Do not get me wrong I cannot wait for you to come home
Dm                 F                  Am                    C
For now you re not here and I m not there, it s like we re on our own
Dm                F        Am               C
To figure it out, consider how to find a place to stand
Dm                  F             Am                C
Instead of walking away and instead of nowhere to land
                 Dm      F       Am
This is going to break me clean in two
This is going to bring me close to you
Am          G/A               C           Dm
She is everything I need that I never knew I wanted
She is everything I want that I never knew I needed
(2x)
Dm                  F               Am                C
It s all up in the air and we stand still to see what comes down
Dm                    F                Am                C
I don t know where it is, I don t know when, but I want you around
Dm                  F               Am                C
When it falls into place with you and I, we go from if to when
Dm            F               Am                C
Your side and mine are both behind it s indication
Dm            F               Am
This is going to bring me clarity
This ll take the heart right out of me

Am          G/A               C           Dm
She is everything I need that I never knew I wanted
She is everything I want that I never knew I needed
(2x)
                    Dm     F       Am
This is going to bring me to my knees
I just want to hold you close to me

Am          G/A               C           Dm
She is everything I need that I never knew I wanted
She is everything I want that I never knew I needed
(2x)

She is everything I needed
She is everything
