Don t throw[E] your lifelines away[Dm],Am,G,E

One time - just once in my life
One time- to know it can happen twice
One shot of a clear blue sky
One look - I see no reasons why you can t
One chance to be back
To the point where everything starts
Once chance to keep it together
Things fall apart
Once I make us believe it s true

What do we see?
Where do we go?
What are the signs?
How do we grow?
By letting your lifelines show
What if we do? What up to now?
What do you say?
How do I know?
Don t let your lifeline go

Don t let your lifeline go
Don t let your lifeline go
