My Salvation
The Honorary Title

Intro:
G Am C D x2

Verse 1:

```
Am                    C         D                 C
Well I may lack the spirit to rejoice another year,
Am                    C         D                 C
but I m willing to play that part even the one with cheer
```

Verse 2:

```
               G        Am      C        D
Just teach me everything you have learned,
   G        Am      C        D
  lets drink for this time we have earned.
```

Verse 3:

```
G             Am                 C            D
This christmas, this Christmas, you are all I d ever want,
G             Am                 C            D     Am   C
This Christmas, this Christmas, you are my Salvation
```

Chorus 1:

```
G                          Am
This city s at peace tonight,
C                  D
this Christmas Eve you are all mine,
G                    Am
Underneath all the lights,
C                D
decked out in red and white
```

Verse 1:

```
Am                 C              D                 C
The armies of salvation posted outside shopping malls,
Am                 C              D                 C
a kettle for donations you can hear the change fall like...
```

Verse 2:

```
G         Am       C         D
Bells ring, lets head up too soon,
G         Am       C         D
lets drink for this time we have earned
```

Verse 3:

```
G             Am                 C            D
This christmas, this Christmas, you are all I d ever want,
```
