

Minor Earth Major Sky

A-Ha

Em **C**
I can see me in this empty place
A **G** **Em**
Just another lonely face
Em **C**
I can't see me here in outer space
A **G** **Em**
It's so hard to leave a trace

C **A**
And i try and i try and i try
G **E**
But it never comes out right
C **A**
Yes i try and i try, and i try
G **E**
But i never get it right
Em **C** **E4** **Em**
It's a minor earth, major sky

I can't see me in this endless town
Not a friendly face around
Can you hear me when i speak out loud
Hear my voice above the crowd

And i try and i try and i try
But it never comes out right
Yes i try and i try, and i try
But i never get it right

It's a minor earth, major sky

But i try and i try and i try
But it never comes out right
Yes i try and i try, and i try
But i never get it right

It's a minor earth, major sky
