**That Love**
**The Kills**

*Verse*

```
G                      Em                 G    Em
Will you or won t you cross that road in time?
G                      Em              A
Will you or won t you outrun what you know you must?

     Em   A
It s over now
     Em   A
It s over now
      C
That love you re in
             Em
Is fucked up
```

*Verse*

```
G                      Em           G   Em
Will you or won t you land softly down?
G                 Em
Will you or won t you
A
Be around?

     Em   A
It s over now
     Em   A
It s over now
      C
That love you re in
              Em
Is all fucked up
      C       Em
That love is done
```

*Verse*

```
        G
If you get a minute
         Em                   G    Em
You can find a whole day and think
        G              Em
Let somebody in that ain t
C
Cuttin  like a snake
```

*Bridge*

```
      G                       Em
The thump of the red blooded heart
      G                  Em
Is trumped by the art of war
          G                 Em
Try the truth and test it before
     C
You lose sight of the shore
```

```
     Em   A
It s over now
     Em   A
It s over now
      C
That love you re in
               Em
Is a fucking joke
      C
That love
```
