

Mother Nature Goes To Heaven

A-Ha

(intro) C#5 B5 A5 G#5

C#5

Wrong

B5 A5

You never got it wrong

G#5 C#5

You always got it right

B5 A5

But now some time has passed;

G#5 E5

You re ever so slightly off

D5 F#5

Thing you could do asleep

B5 E5

In a not too distant past,

D5 F#5

Are trying your patience

A5

Harder now

E5

And though

G#5 A5

Everything moves along

G#5

You hope the rumour s wrong

E5 F#5

That Mother Nature

E5 B5 C#5

Goes to heaven

Right

You never got it wrong

It always got away

When you had it nailed

It was ever so slightly off

Sending you somewhere else

Than where you had to be

Making it that much

Harder now

And though

You re struggling to get on track

It pales somewhat to the fact

E5 F#5

That Mother Nature

E5 B5 C#5 B5
Goes to heaven

A5
C#
B5
 And there will be no sadder day

A5 G#5
When all the birds

C#5 B5 A5 G#5
Have flown away
