-----------------------|----|---------------------------------------------------
-----------------------|----|---------------------------------------------------
```

During opening, Guitar 2 alternates between the 3rd frets on the high e and b strings

```
Riff (x2):
F#                C#                  F#                  C#
-------------------------------------------------------------------------------
-------------------------------------------------------------------------------
------7--------------7------------------77------7-----------7------------------
-9-10---10-9----9-10---10---9------9-10----9-10---10-9-9-10---10-9-------------
-------------------------------------------------------------------------------
-------------------------------------------------------------------------------
                                          1st time play this

B              C#                F#             C#
----------------------------------------||--------------------|----------------
-----8-----8----10--8-----8------8------||--------------------|----------------
-7h9---7h9---9---------11----11-----7-7-||-777-555-444-333-|----------------
----------------------------------------||--------------------|----------------
----------------------------------------||--------------------|----------------
----------------------------------------||--------------------|----------------

F#                     Verses:
-------------------|-------------------------------------------------------------|-
-----8-----8-----8-|-88888888777777778881101010887778887 78--8--88101010888778|-
-7-7---7-7---7-7---|-------------------------------------77-77--------------|-
-------------------|-------------------------------------------------------------|-
-------------------|-------------------------------------------------------------|-
-------------------|-------------------------------------------------------------|-

Verse 1:
F#                 C#
Don t look back into the sun
Ebm                     C#
Now you know that your time has come
B                       C#              F#     C#
```

And they said that it d never come for you

Verse 2:

```
F#                 C#
Oh my friend you havent changed
Ebm                C#
Looking rough and living strange
B                           C#            F#
And I know the you ve got a taste for it too
```

Chorus:

```
B                                                F#
I shall never forgive you but she won t let you go
B                                                 C#
No shall never forgive you and they wont let you go, oh no
```

Riff again (with 1st ending)

hide this tab

During Riff, Guitar 2 does this for a bit:

```
-7---7---7---7---7---7---7---7---|-----------------------------------------------
---8---8---7---7---8---8---7---7-|-----------------------------------------------
---------------------------------|-----------------------------------------------
---------------------------------|-----------------------------------------------
---------------------------------|-----------------------------------------------
---------------------------------|-----------------------------------------------
```

Verse 3:

```
F#                        C#
I heard that song at the Death Disco
Ebm                 C#
Starts so fast and ends so slow
B              C#               F#     C#
All the time I had to think of you
```

1 x Chorus

Riff again (with 2nd ending)

2 x Verse but without any singing (same chords and tab)
