I m just putting the tabs here for convenience. :)

```
F#m        Bm    A                  D
I know I wasn t made to play on a team
F#m                 E                                  D
you weighed your suitcase down but it still wouldn t sink
F#m          Bm            A
I know that crime doesn t pay
                  D
but I don t know any other way

E, D (D6) x4

E  D                            E
   the way that she smiles me down
     Bm           D
she claims to be clowning
Bm         D         E
I finally long for someone
