Alone
The Music

Very easy song

Am Em all the way baby

JD

Ok i have to make this longer or it won t let me submit it so here is some lyrics

Verse

```
Am                 Em
  She stands alone
                   Am
Holding her ground
                       Em
Is it hers or theirs?
```

She waits to see
Whats happening
Is it safe and sound

Prechorus

She says bring me from this enemy
she s waiting to be set free
bring me from this enemy
she cyring to be set free

Chorus

she takes so long
that it feels alright to be
all alone

she takes so long
that it feels alright tto be
all alone

Repeat all

then repeat chorus

then outro
