

Rolling Thunder

A-Ha

Intro: **E B C#m E**
E B C#m E

E B
It s the weight below us
C#m E

And our fate before us
E B

Like a rolling thunder
C#m E

Rolling up from under
E B

Don t ever leave this way

C#m E
I know it s getting harder, but hey

E E/A# G#m F#
If your world should crumble yeah
E

And the rain gets in, running through your skin
F#

Soaking you outside in

E B
The rain see it falling

C#m E
But I don t know how long it will be
G#m

Until the storm is over
E F#

I ll wait, I will

E B
Like the years of silence
C#m E

To the growing violence
E B

Like a rolling thunder
C#m E

Rolling up from under
E B

Don t ever leave me this way
C#m E

Wait a little longer, yeah stay
E E/A# G#m F#

Through all the night I tumble, yeah
E

When the rain comes in I will shed my skin

F#

Losing it from within

E B

See the rain... it s falling

C#m E

But I, I wont be leaving your side until

G#m

The storm is over

E F#

But I ll wait, I will

E B

So many lifetimes

C#m E

You ve been waiting for it

E B

All through the good times

C#m E

When you tried to ignore it

E B

You Hesitate, it s come too late

C#m E

You hear the sound of when wheels engage

E

When the rain comes in I will shed my skin

F#

Losing it from within

E B

The rain keeps falling

C#m E

But I, I wont be leaving your side until

G#m

All is over

E F#

But I ll wait, I will

C#m E

But I don t know how long it will be until

G#m

all is over

E F#

But I ll wait, I will
