I Am Redeemed
The Neverclaim

I am redeemed
D A E F#m
Kiss your feet, kiss your feet, as brokenness runs down my cheek
D A E F#m
may these tears be a sweet offering to you.
D A E F#m
Incomplete, so incomplete, yet declarations over me,
D A E F#m
from the eternal son, redeemed, redeemed, redeemed.

D A E F#m
In my darkness you hold me close and you promise me you never

let go
D A E F#m
my heart burns for you, oh, i am redeemed, i am redeemed

D A E F#m
I receive, I receive, redemptive work done deep in me
D A E F#m
until this heart is fully given onto you

D A E F#m
so please proceed, please proceed, your kingdom raining over
D A E F#m
me, because who I am right now is not who Iâ€™ll fully be.
