G                          A                    Bm                  G

Aah aah aah aah all the promises we ve been givin  aah aah aah aah
        A                    Bm                    G
All the fires that we ve been feedin aah aah aah aah
         A                    Bm                  G
All the lies that we ve been livin  aah aah aah aah
        A                                                        G  A  Bm  D
All the promises promises promises promises promises promises
G                  A                      Bm                              G
Aah aah all the promises  we ve been givin  givin givin  aah aah aah aah
           A                  Bm                                  G
All the fires that we ve been feedin  feedin  feedin  aah aah aah aah
         A                    Bm                              G
All the lies that we ve been livin  livin  livin  aah aah aah aah
               A            Bm          D   G
Am i the only one that still believin
                Bm     D    G
Wouldn t it be nice if we
                         Bm             D      G
Could leave behind the mess where re in
                         Bm       D       G
Could dig beneath these old troubles return
   A               Bm      D   G
To find something amazing
                   Bm      D   G
And wouldn t it be cool if we
                           Bm       D   G
 Could sail this ship to calmer seas
          A       Bm         D  G
Turn our backs on bush fires
A             Bm    D   G
Faded on the coast
                       A                  Bm                                G
Aah aah aah  All the promises we ve been givin  givin  givin  aah aah aah aah
         A                    Bm                                  G

All the fires that we ve been feedin  feedin  feedin  aah aah aah aah
         A                    Bm                           G
All the lies that we ve been livin livin livin aah aah aah aah
               A              Bm        D   G
Am i the only one that still belivin
               Bm       D   G
I can see your ready to go
```

```
                      Bm          D   G
I think we knew this day might come
           A          Bm       D  G
I hope you found what we never oh
       A       Bm   D  G
Never seem to learn
           A           Bm   D           G
But if you find just one reason to return
               A     Bm
You ll find me open arms
                     A                    Bm                   G
Aah aah aah all the promises we ve been givin  aah aah aah aah
        A                   Bm                                G
all the promise we ve been givin  givin  givin  aah aah aah aah
         A                     Bm                                   G
All the fires that we ve been feedin  feedin  feedin  aah aah aah aah
         A                      Bm                                G
all the lies that we ve been livin  livin  livin  aah aah aah aah
G          A             Bm
am i the only one still believin  (repeat)
G              Bm
Wouldn t it be nice
