D                                                Bm    F#m    Bm
When I look up from my pillow I dream you are there with me.
Though you are far away I know you ll always be near to me.

[Em Bm Am]

   Bm
I go to sleep, sleep, and imagine that you re there with me.
I go to sleep, sleep, and imagine that you re there with me.

D                                                Bm    F#    Bm
I look around me and feel you are ever so close to me.
Each tear that flows from my eyes brings back memories of you to me.

        F#m     C#m         Bm                         A    Bm
I go to sleep, sleep, and imagine that you re there with me.
I go to sleep, sleep, and imagine that you re there with me.

C                                                 G
I was wrong, I will cry, I will love you to the day I die
                                   C                   B  B7
You are - you alone and noone else - you ll be for me

D                                                Bm    F#    Bm
When morning comes once more I have the loneliness you left for me.
Each day drags by until finally night time descends on me.

        F#m     C#m         Bm                         A    Bm
I go to sleep, sleep, and imagine that you re there with me.
I go to sleep, sleep, and imagine that you re there with me.
