---*verse 1*---

```
   Bb                          Eb
 A banker in a tired suit is counting in his head
      Bb                                 Eb
 He s standing in your overcoat, he s lying on your bed
 Bb                                      Eb
 President gas is tap dancing for the banker he s a thief
    Bb                            Eb
 He isn t very honest but he s obvious at least

 G#            Eb             Bb
 You and I are walking past, yeah
G#               Cm    Bb
 Having lost our way
    G#              Eb       Bb
 We don t count our money
        G#               Eb  Bb
 We are giving it away,       yeah giving it away
```

---*Instrumental* 1---

```
  Bb    Bb    Eb    Cm

---verse 2---
         Bb                                  Eb
 Oh this policeman is just sitting down in sunglasses and dirt
 Bb                          Eb
 Undercover now at least so nobody gets hurt
 Bb                                     Eb
 They go through this pantomime, they do it everyday
            Bb                       Eb
 They ll be back again tomorrow but they don t play for free

 G#            Eb             Bb
 You and I are walking past, yeah
G#               Cm    Bb
 Having lost our way
    G#              Eb       Bb
 We don t count our money
        G#              Eb  Bb
 We are giving it away,       yeah giving it away

---verse 3---
 Bb                                Eb
 Doesn t this remind you of these things we ve done before
      Bb                                  Eb
 Like counting all the times, we ve seen ourselves in other scenes
 Bb                              Eb
 Everybody s busy listening and pulling blinds
 Bb                                  Eb
 This is all so stupid, we re just shouting I want

---Chorus---

 G#            Eb             Bb
 You and I are walking past, yeah
G#               Cm    Bb
 Having lost our way
    G#              Eb       Bb
 We don t count our money
        G#               Eb  Bb
