Laugh, I Nearly Died
The Rolling Stones

(**Bbm F#**)(2x)

```
          Bbm                            F#
I ve been travelling, but I don t know where
          Bbm                              F#
I ve been missing you, but you just don t care
              Bbm                               F#
And I ve been wandering, I ve seen Greece and Rome
            Bbm                      F#
Lost in the wilderness, so far from home

Yeah, yeah
```

(**Bbm F#**)

```
             Bbm                     F#
I ve been to Africa, looking for my soul
                   Bbm                   F#
And I feel like an actor, looking for a role
             Bbm                          F#
I ve been in Arabia, I ve seen a million stars
                 Bbm                 F#
Been sipping champagne, on the boulevards - yes
```

(**Ebm F#**)

```
                Bbm   Ebm F#
I m so sick and tired
                   Bbm  Ebm F#
Trying to turn the tide,   yeah
                   Bbm  Ebm F#
So I ll say my goodbye

Laugh, laugh
         Bbm   F#
I nearly died

                  Bbm                     F#
I ve been down to India, but it froze my bones
                   Bbm                 F#
I m living for the city, but I m all alone
          Bbm                            F#
I ve been travelling, but I don t know where
          Bbm                           F#
I ve been wandering, but I just don t care
```

Ebm F#

```
                Bbm  Ebm F#
I hate to be denied
                 Bbm   Ebm F#
How you hurt my pride

                Bbm  Ebm F#
I feel pushed aside

But laugh, laugh, laugh
         Bbm  F#
I nearly died

Bbm
Been travelling far and wide,
Ebm
wondering who s going to be my guide
Bbm
Been travelling far and wide,
Ebm
wondering who s going to be my guide

            Bbm                       F#
Living in a fantasy, but it s way too far
                 Bbm                     F#
But this kind of loneliness, is way too hard
          Bbm                      F#
I ve been wandering, feeling all alone
            Bbm                     F#
I lost my direction, and I lost my home...well

Ebm F#

                 Bbm   Ebm F#
I m so sick and tired
                Bbm  Ebm F#
Now I m on the side
               Bbm   Ebm F#
Feeling so despised

When you laugh, laugh
         Bbm  F#
I almost died

Bbm
Been travelling far and wide,
Ebm
wondering who s going to be my guide
Bbm
Been travelling far and wide,
Ebm
wondering who s going to be my guide . . .
```
