She comes in colors everywhere, she combs her hair....
                      B7                   E
She s like a rainbow. Come in colors in the air

Oh everywhere, she comes in colors.....

Have you seen her dressed in blue?
See the sky in front of you
And her face is like a sail
Speck of white so fair and pale
                      Bsus B
Have you seen the lady fair-oh?
B7                        E                   Bsus B
She comes in colors everywhere, she combs her hair....
                      B7                   E
She s like a rainbow. Come in colors in the air
       Bsus B              F#7     B
Oh everywhere, she comes in colors....
F#7
Have you seen her all in gold?
Like the queen in days of old
She shoots colors all around
Like a sunset going down
                      Bsus B
Have you seen the lady Pharaoh
B7                        E                   Bsus B
She comes in colors everywhere, she combs her hair....
                      B7                   E
She s like a rainbow. Come in colors in the air
       Bsus B              F#7     B
Oh everywhere, she comes in colors....
                      B7                   E
She s like a rainbow. Come in colors in the air
       Bsus B              F#7     B
Oh everywhere, she comes in colors....
