Something Happened To Me Yesterday
The Rolling Stones

```
G#                              Eb
Something happened to me yesterday
C#                                 G#
Something I can t speak of right away
C#                                 Eb         Eb7
Something happened to me, something oh so groovy
G#         Cm      C#      Eb7      G#
Something happened to me yesterday
C#
He don t know if it s right or wrong
G#
Maybe he should tell someone
C#
He s not sure just what it was
G#                                Eb
Or if it s against the law. Something!

G#                                  Eb
Something very strange I hear you say
C#                                  G#
You re talking in a most peculiar way
C#                                   Eb            Eb7
But something really threw me, something oh so groovy
G#         Cm       C#      Eb7     G#
Something happened to me yesterday

C#
He don t know just where it s gone
G#
He don t really care at all
C#
No one s sure just what it was
G#                                 Eb
Or the meaning and/or cause. Something!

G#                                          Eb
Someone says there s something more to pay
C#                                   G#
For sins that you committed yesterday
C#                                 Eb               Eb7
It s really rather drippy, but something oh so trippy
G#         Cm       C#   Eb7       G#
Something happened to me yesterday

C#
He don t know if it s right or wrong
G#
```

Maybe he should tell someone
C#
He s not sure just what it was
G# **Eb**
Or if it s against the law. Something!

G# **Eb**
Someone s singing loud across the bay
C# **G#**
Sitting on a mat about to pray
C# **Eb** **Eb7**
It isn t half as loony, yes something oh so groovy
G# **Cm** **C#** **Eb7** **G#**
Something happened to me yesterday

C#
He don t know if it s right or wrong
G#
Maybe he should tell someone
C#
No ones sure just what it was
G# **Eb**
Or the meaning and the cause. Something!
