Streets of love
The Rolling Stones

Intro:

```
      B         Ebm7       Ebm        E
E|---------0---------0---------0--------1--1|
B|-------------------------------------1----|
G|------0----------0------------------2-----|
D|----2----------0-----------2-------3------|
A|---3---------2-----------2--------3-------|
E|-----------------------0---------1--------|
```

Verso:

```
       B                    Ebm7
You re awful bright, you re awful smart
  Ebm             E
I must admit you broke my heart
    B              Ebm7
The awful truth is really sad
  Ebm               E
I must admit I was awful bad

      B                F#
While lovers laugh and music plays
  G#m               F#
I stumble by and I hide my pain
    E                   F#
The lights are lit, the moon is gone
  E                      F#
I think I ve crossed the Rubicon
```

Refrão:

```
B  F#          G#m
I, I walk the streets of love
            E
and they re full of tears
    B  F#          G#m
And I, I walk the streets of love
            E
and they re full of fears

         B                   Ebm7
While music pumps from passing cars
        Ebm                E
A couple watched me from above
         B               Ebm7
A band just played the wedding march
```

```
         Ebm               E
And the cornerstore mends broken hearts

          B
The woman ends
         Ebm7
If for her debts
          Ebm
It s free of charge
         E
Just one more chance

B  F#          G#m
I, I walk the streets of love
            E
and they re full of tears
    B  F#          G#m
And I, I walk the streets of love
            E
and they re full of fears

          B                Ebm7
You had the moves, you had the cards
         Ebm               E
I must admit you were awful smart
     B                Ebm7
The awful truth is awful sad
     Ebm               E
I must admit I was awful bad

B  F#          G#m
I, I walk the streets of love
            E
and they re full of tears
