Blue sky

F Am  
I find it hard to breathe as life just eats away

F Am  
At the faces that surround me they look tired today

Dm Bb  
The lady at my table doesn't want me here

Am D  
I just want to talk to her

Fmaj7 Em  
But will she laugh at my accent and make fun of me  
F Em F Em F  
Oh doesn't seem like this blue sky's here for me

F Am  
There are no girls in here as far as I can see

F Am  
Only pinned up posters looking down at me

Dm Bb  
Watching paper cups of coffee going cold before my eyes

Am D  
All the things I see that make me realise

Fmaj7 Em  
I'm in this big world without you, nothing to my name

F  
Oh I never feel like blue sky meant to stay.

I m dying to be different in the coffee shop

**F** **Am**  
I live to borrow strength, now my supplies are cut

Oh I m older than my looks and younger than my years

Am D  
I m too young to take on my deepest fears

<b>Fmaj7</b>	<b>Em</b>
Oh I used to be confused but now I just dont know
