Blue sky

F Am
I find it hard to breathe as life just eats away

F Am
At the faces that surround me they look tired today

Dm Bb
The lady at my table doesn't want me here

Am D
I just want to talk to her

Fmaj7 Em
But will she laugh at my accent and make fun of me
F Em F Em F

Oh doesn't seem like this blue sky's here for me

F Am
There are no girls in here as far as I can see

F Am
Only pinned up posters looking down at me

Dm Bb
Watching paper cups of coffee going cold before my eyes

Am D
All the things I see that make me realise

Fmaj7 Em
I'm in this big world without you, nothing to my name

F
Oh I never feel like blue sky meant to stay.

F Am
Blue sky (Blue sky)

F **Am**
I m dying to be different in the coffee shop

F **Am**
I live to borrow strength, now my supplies are cut

Dm **Bb**
Oh I m older than my looks and younger than my years

Am **D**
I m too young to take on my deepest fears

Fmaj7 **Em**
Oh I used to be confused but now I just dont know

F **Am**
Since you left I ve been watching blue skies come and go

F **C**
Since you left I ve been watching blue skies come and go
