CAPO 5th FRET

[Verse]
G D Em (Em7)
I can feel the colour running
G D Em (Em7)
As it s running from my face
G D Em (Em7)
Try to speak but nothing s coming
G D Em C
Nothing I could say to make you stay

G D Em (Em7)
Grabbed your suitcase called a taxi
G D Em (Em7)
It s 3am now where you gonna go?
G D Em (Em7)
Gonna stay with friends in London
G D Em C
And that s all I get to know, woah

[Chorus]
G
Just a cigarette gone
D
No you couldn t be that far
Em
So I m driving in my car to where I hope you are
G D
Maybe I can talk you down
Em Em7
Maybe I can talk you down

[Verse]
G
We re standing on a tiny ledge
D
Before this goes over the edge
Em
Gonna use my heart and not my head
G D

And try to open up your eyes
C
This is relationship suicide

G **D**
Cos if you go, I go...
Em **Em7**
Cos if you go, I go...

G **D** **Em** (**Em7**)
Taking shortcuts through the alleys
G **D** **Em** (**Em7**)
While you re racing through my mind
G **D** **Em** (**Em7**)
Cops can chase but they won t catch me
G **D** **C**
Not before I get to speak my mind

If there s still time, oh

[Chorus]
G
Just a cigarette gone
D
No you couldn t be that far
Em
So I m driving in my car to where I hope you are
G **D**
Maybe I can talk you down
