

The Summers Of Our Youth

A-Ha

(Magne)

C **Gm**
There s nothing you can say

F **Em**
To make me change my mind

F **Em**
It happens all the time

C **G**
Just let the plot unwind

C **Gm**
As we look back and see

F **Em**
Our yesterdays entwine

F **Em**
The beauty and the truth

C **G**
The summers of our youth

Am **F**
And you can go there anytime

C **G**
The movies on your mind

Am **F** **C** **G**
And you can see it clearly where we overstepped the line

(Morten)

C **G** **Am**
Whatcha gonna do when lights go out

F **C**
whatcha gonna think it s all about

G **Am**
whatcha gonna do when time is up

F **C**
whatcha gonna do to make it change the way you feel?
