Needlepoint
The Spinto Band

D Bm
I am just for a moment carefully spoken broken
Gm A
Wearing what I just woke up in
D Bm
I end without a warning reasonably worn out
Gm A D
I got the sense that you won t be too miserable
A D A (walk up) **D**
And everybody knows it aches the heart to go on and so
D#m E A----
Often I ll knit a pattern taken from the thirteenth level stuck in Bubble Bobble again

D Bm
You ll ask whether I m mad I m better at acting sad but
Gm A
I ll refrain I rarely strain my voice but
D Bm
Now that you ve taken all of the other waking
Gm A D
Hours ahead of us, I ll forget it

A D A Bm Cm C# D (**G**? **F#**?)
And everybody sews it takes a girl with with know-how to know how to plow through
D#m E A----
An autumn colored scene depicting you and me careening on a seesaw

D Bm
But now that you ve shown disinterest in the thought
Gm A
I ve taken that it s
D Bm
not what I ve sewn that s driven you to leave
Gm
It s got to do with me

Solo

D Bm
I can just for a moment see if it s torn or not and
Gm A
If it is then you might as well stitch it

Bm F#m Gm Bm
Walking at night Drinking again Sulking at sight of your girlfriend

Bm F#7 Gm A D
Loiter and sigh Needle in hand Embroidering myself as planned but
stranaaandeedddd

D Bm
Across an empty seat since you ve shown disinterest in the thought
Gm A
I ve taken that it s not what I ve sewn that s driven you to leave
Gm A
It s making me believe
Gm A
that what you ve done to me
Gm A D D
has got to do with me

Tabbed by Barton Lewis
