Capo 3rd

strum pattern D-U-U

Chorus
```
G                              C         G
Stone Walls and Steel Bars, A lot on my mind
G                          D              G
I m a three time loser I m long gone this time
```

Verse 1
```
D            C             G
Jealousy has took my young life
D                    C            G
All for the love of another man s wife
G                  C            G
I had it comin , I knew all the time
G                          D              G
I m a three time loser I m long gone this time
```

Chorus
```
G                              C         G
Stone Walls and Steel Bars, A lot on my mind
G                          D              G
I m a three time loser I m long gone this time
```

Verse 2
```
D                   C            G
Grey haired Warden, deep  Frisco Bay
D                       C         G
Guards all around me, impedin  my way
G                      C          G
I had it comin  at the end of the line
G                                        D
No more Stone Walls and Steel Bars and you on my mind
```

Chorus
```
G                              C         G
Stone Walls and Steel Bars, A lot on my mind
G                          D              G
I m a three time loser I m long gone this time
