A midnight summer dream had me in its spell
  C#sus2
I dreamt about an old man
Csus2              Fm
Sat and watched the rain all night
                    C#sus2          Csus2      Fm
He couldn t sleep a wink as all the drops fell
```

Pre-Chorus

```

He told me of the beauty
                         Fm
      Hidden in our foreheads
                    C#sus2
He told me of the ugliness
                Bbm  Cm
We show instead
    C#sus2                  Csus2
And when we put a foot wrong, do we learn
             Fm
From all the pain?
            C#sus2     Csus2              Fm
A midnight summer dream as he watched the rain
```

Chorus:

```
Eb          Fm                       C#sus2
  Then at midnight he poured another drink
                Csus2
And bent my ear
Eb        Fm                       C#sus2
  After midnight we sat up half the night
        Csus2
Or maybe more
```

```
        Bb         F#                     Fm
And he began to tell me what it was all for

I woke up in an armchair
               Fm
He had gone, I don t know where
             C#sus2      Csus2       Fm
Left me there to sit and look at the rain
              C#sus2   Csus2
Don t remember much at all
                   Fm
But his words were echoing
            C#sus2          Csus2      Fm
A midnight summer dream and then wake again

Maybe I ll have to sit here
