Back To Gray Acoustic
The Thermals

```
C#          Fm
Hail Mary, heaven willing
Bbm             F#
Let a blanket, cover everything
C#             Fm
hold us high, hold a sigh
Bbm                      F#
mother don t let us die before the springtime
C#                Fm                       Bbm
I don t need any love, cause I ve got the elements
F#
Electric light, electric license
F#
I can add it all up one plus one
```

(Repeat verse 1, but replace the last F with a G)

```
Fm            C#
Your face fits in the frame so
Fm                  C#
Like your footprints in the fake snow
F#             C#
Sky sight now, a strobe light
G#
Black to white and black to white and black to white and back to grey again
```

(repeat until ..back to grey again)

```
G#             Fm                  Eb
If you do not mind I will not stay
           C#
If you can climb I will find a way
G#             Fm                  Eb
If you do not mind I will not stay
           C#
If you can climb I will find a way
G#          Fm
Hail Mary, Heaven willing
Eb            C#
Let a blanket cover everything
G#
I can add it all up one plus one
