Liquid In Liquid Out
The Thermals

TONALITY: Eb (CAPO -1)

```
       D          A
Liquid In, Liquid Out
              D             A
It s what my life was all about                       (X2)
              D             Bm                 A
It s what my life was all about, it was all about

     D            A
Saturate, fill me up
      D              A
Liquidate, empty my cup
              D             Bm                 A
It s what my life was all about, it was all about

     D              A
Salivate, ring the bell
            D                 A
Clean the plate, my slate as well
              D             Bm                 A
It s what my life was all about, it was all about

           Bm             A
Drank the sun, drank the rain
          Bm               A
Down the river, down the drain
   D                            A
I never went, I never went without

       D          A
Liquid In, Liquid Out
              D             A
It s what my life was all about
              D             Bm                 D      A
It s what my life was all about, it was all about
```
