     F
Your back s against the wall there s no-one home to call
       G#                          Bb
You re forgetting who you are you can t stop crying
     F
It s part not giving in and part trusting your friends
    G#                       Bb
You do it all again but you don t stop trying
F
Oh

I m doing this for you because it s easier to lose
And it s hard to face the truth when you think you re dying
It s part not giving in And part trusting your friends
You do it all again but you don t stop trying

F         Eb
Oh woh Oh ohh
Oh woh Oh ohh

F
Standing in the way of control
      G#                          Bb            F
Gotta let your body down the only way that you know
Oh, woh oh

Oh woh Oh ohh
Oh woh Oh ohh

Standing in the way of control we live our lives
Because we re standing in the way of control we will live our lives
Because we re standing in the way of control we live our lives
Because we re standing in the way of control we will live our lives
I got the power, I got the power,
I got the power, I got the power,

Oh woh Oh ohh
Oh woh Oh ohh

I got the power
