

## What There Is

A-Ha

[Intro]

**Am D G Em**

**Am D Em**

[Verse 1]

**Am D G**

Empty glass gets another round

**Am D Em**

Squeaky chair makes another sound

**Am B7 Em**

There is a gentle breeze playing in your hair

**Am B7 G D**

Come take a bow while you re still all there

[Chorus]

**Am D**

It s what it is

**G Em**

It s what it was

**Am D Em**

And what it will be here after us

[Verse 2]

**Am D G**

There is no memory, there s no recall

**Am D Em**

No recollections at all

**Am B7 Em**

Your dark glasses sliding down your nose

**Am B7 C D**

Bring these proceedings to a close

[Chorus]

**Am D**

It s what there is

**G Em**

It s what it was

**Am D Em**

And what it will be here after us

**Am B7 Em**

Your dark glasses sliding down your nose

**Am B7 C D**

Bring these proceedings to a close

[Bridge]

**Am D G Em**

**Am D Em**

[Chorus]

It s what it is           **Am**   **D**  
It s what it was           **G**    **Em**  
And what it will be here after us           **Am**    **D**           **Em**

You can make it all worthwhile  
You can lend yourself some style  
You can give them all the reasons  
All the facts that you have seasoned

You can hear them hoot and holler  
As you come across a scholar  
You can set your name in lights  
You can make two wrongs a right
