You're the king of the clever phrase
F#m Asus4 A
My heart stalls as you call me name

You touch your hair and I do the same
F#m A
We're both nervous that they're on to us
D5 C#
We have to be so obvious
F#m A
And it's more than a little crush
D5
All my words are rushed
Asus4 F#m A
And I'm feeling whoa

Dsus4 C#m Amaj7 D5 F#m
I can keep a secret if you can, whoa

Our Eyes close as we cross the line

My heart stops for the second time
D5 C#
A playful grin as you draw the blinds

We never meant for this to end up like it did
