C#              B
Say a word for Jimmy Brown
F#                          C#
  He ain t got nothing at all
C#                           B
He knocked the shirt right of his back
F#                          C#
  He ain t got nothing at all
C#                  B
And say a word for Ginger Brown
F#                              C#
  He walks with his head down to the ground
C#                    B
Took the shoes right off his feet
F#                         C#
  And threw the poor boy right out in the street
C#
And this is what he said:
```

[Chorus]
```
C#        B
Oh sweet nuthin
F#                           C#
  She ain t got nothing at all
C#        B
Oh sweet nuthin
F#                           C#
  She ain t got nothing at all
```

[Verse]
```
C#              B
Say a word for Pearly May
F#                                    C#
  She can t tell the night from the day
C#                  B
They threw her out in the street
```

```
F#                                        C#
  But just like a cat she landed on her feet
C#                  B
And say a word for Joana Love
F#                           C#
  She ain t got nothing at all
C#                  B
With every day she falls in love
F#                                  C#
  And every night she falls and when she does
C#
She says:

[Chorus]
C#        B
Oh sweet nuthin
F#                                     C#
  You know she ain t got nothing at all
C#            B
Woe Oh sweet nuthin
F#                           C#
  She ain t got nothing at all

Oh let me hear you!

[Solo]

[Verse]
C#                              B
Oh say a word, say a word for Jimmy Brown
F#                          C#
  He ain t got nothing at all, not a thing
C#                      B
And not a shirt, shirt on his back
F#                              C#
  No, he ain t got nothing at all
C#                  B
And say a word for Ginger
F#                                  C#
  He walks with his head to the ground
C#                                   B
He took the shoes, took the shoes from his feet, from his feet
F#                                        C#
  And threw the poor boy out into the street
C#
And then he said:

[Chorus]
C#               B
Oh sweet, sweet nuthin
F#                                                        C#
She ain t got, she ain t got, she ain t got nothing at all
```

```
C#                        B
Sweet sweet sweet sweet nuthin
F#                  C#
  She ain t got
C#           B
Sweet Sweet nuthin
F#                      C#
  Ain t got nothing at all
C#           B
Sweet Sweet nuthin  got nothing Oh nothing
F#                            C#
Oh she ain t got nothing at all

Oh let me hear:

[Solo]

[Outro]
F#                           C#
  She ain t got nothing at all
F#                           C#
  She ain t got nothing at all
F#                           C#
  She ain t got nothing at all
F#                           C#
  She ain t got nothing at all
F#                           C#
  She ain t got nothing at all
C#     B
Sweet nuthin
F#                           C#
  She ain t got nothing at all
C#           B
Sweet Sweet nuthin
F#                           C#
  She ain t got nothing at all
