verse1=**Em-C-G-D**
Oh no donâ€™t go changing thatâ€™s what you told me from the start.
Thought you were something different thatâ€™s when it all just fell apart, like youâ€™re so
and I canâ€™t measure up but Iâ€™m not perfect JUST all MESSED UP!

chorus=**Em-C-G-D**
```
       Em                        C          G      D
       Em
I was losing myself to somebody else  but  now I see I donâ€™t want to pretend
              C       G         D           Em
    C            G
  that is the end of you and me .Cus the girl that you want she was tearing
       D            Em         C          G     D
us apart.Cus sheâ€™s everything everything Iâ€™m not.
```

verse2=**Em-C-G-D**
Itâ€™s not like I need somebody telling me where I should go at night.
Donâ€™t worry find somebody, someone to tell how to live there life. Cus your so perfect
no one measures up your all by yourself AND ALL MESSED UP!

chorus=**Em-C-G-D**
I was losing myself to somebody else but now I see I donâ€™t want to pretend so this is
end of you and me.Cus the girl that you want she was tearing us apart.Cus sheâ€™s everything
Iâ€™m not.

bridge=????

NOW WAIT A MINUTE BECAUSE OF YOU I NEVER KNEW ALL THE THINGS I HAD. hey
DONâ€™T YOU GET IT Iâ€™M NOT GOING ANYWHERE WITH YOU TONIGHT CUS THIS IS MY LIFE

chorus=**Em-C-G-D**
I was losing myself to somebody else but know I see I donâ€™t want to pretend so this is
end of you and me.Cus the girl that you want she was tearing us apart.Cus sheâ€™s
everything Iâ€™m not.
