Demons
The Wanted

No capo or capo 4 with chords Em, G, D, C
Intro: **G**

Am
Hey,
```
        Am    C  G
I see a secret in your face
            G         F  G
Did someone steal you away?
          G     C       F
Is there someone else in my place
   F     G  Am
I don t like this game
         Am     C        G
I, I can see the death in your hands
        G                F   G
Cause I know the way that you dance
      G    C        F
Don t cover up cause it shows
       G       F
Mmm, I wish you would
```
F
Stop right now what you re doing, I know
Am
I got a needle in my brain and a nick in my bones
G
I cannot do a damn thing cause nobody s home
F
And it s hell, oh yeah
Now I say

Am
All my life, I played like a winner
G
Now all I see looking back in the mirror
F
Demons in my head
C **G**
The demons in my head, oh oh
Am
All this time, the saint was a sinner
G
The joke s on me, a stone cold killer
F
Demons in my head
C **G**
The demons in my head, oh oh

Am C G
You have a natural sway
G F G
And you know how sweet you taste
G C F
But I can t take your flame
F G Am
Like a bullet through my veins

Am C G
As you scratch beneath my skin
G F G
My resistance crumbling
G C F
I cover up but it shows
G F
But I guess you know again

F
Stop right now what you re doing, I know
