Glad You Came
The Wanted

(Intro)

```
Bb             F                   Dm
The sun goes down, the stars come out
             C                   Bb
And all that counts, is here and now
      F                       Dm
My universe will never be the same
             C
I m glad you came

Verso:

```
           Bb
You cast a spell on me, spell on me
Dm                      Bb
You hit me like the sky fell on me, fell on me
Dm                    Bb
And I decided you look well on me, well on me
Dm                           Bb                     Dm
So let s go somewhere no-one else can see, you and me

                     Bb
Turn the lights out now
                          Dm
Now I ll take you by the hand
                 Bb
Hand you another drink
                Dm
Drink it if you can
                       Bb
Can you spend a little time,
                  Dm                   Bb
Time is slipping away, away from us so stay,
                   Dm
Stay with me I can make,
                  Bb
Make you glad you came

             Dm                   Bb
The sun goes down, the stars come out
```

```
             Dm                  Bb
And all that counts, is here and now
      Dm                      Bb
My universe will never be the same
             C
