Lightning
The Wanted

```
F#
Your in control
 Pressing pause on my heartbeat
 Someone stole all the air
                  B
So I can t speak now
 I know the chase is on
 I feel as though
 My time has come

F#
How many times do I fly
 Through your head space
 Now it s speeding away
 From a safe place
B
Yeah your skin
 Your touch the kiss
C#
The rush too much
 And here it comes

F#
When your lips touch mine
 It s the kiss of life
   B
I know I know
 That it s a little bit frightening
 We might as well be playing
 With lightning

F#
We touch light
 Like it s our first time
   B
Oh oh
 I know that it s a little bit frightening
 We might as well be playing
                C# B
With lightning now

   F#
Oh oh
 Oh oh
```

F#
Just you and me and the
 Coats in the back room
 Learning things they don t
 Teach in classroom

B
Now, your here
 And feel the fear
 But everything is all so clear

F#
I ve been addicted to you
 Since it first hit
 Out of control like a surge of electric

B
Yeah, your skin
 Your touch the kiss

C#
The rush too much
 And here it comes

F#
When your lips touch mine
 It s the kiss of life
   B
I know, I know
 That it s a little bit frightening
 We might aswell be playing
 With lightning

F#
We touch light
 Like it s our first time
   B
Oh oh
 I know it s a little bit frightening
 We might as well be playing
               C# B
With lightning now

F#
Oh oh
 Oh oh
 Oh oh
 Oh oh

F#
Your skin, your touch
 The kiss, too much
 Your skin, your touch

To kiss, the rush
Your skin, your touch
To kiss, too much
C# (only strum once)
The rush, the rush
The rush, the rush

F#
When your lips touch mine
It s the kiss of life
B
I know, I know
That it s a little bit frightening
We might aswell be playing
With lightning

F#
We touch light,
Like it s our first time
B
Oh oh
I know it s a little bit frightening
We might as well be playing
C# B
With lightning now

F#
Oh oh
Oh oh
