In Your Hands
Thrice

```
D                   A
bound to this couch, i lie in waiting
         Bm                 G
watching wind blown memories slip by my window sill
  D                 A
i can t fall asleep, voice in my head disturbs me
Bm                     G                              Bm,A
waking nightmares keep, have my cries fallen on deaf ears
        G       Gm(let it ring)
can you hear me or am i....
-
D                                 Bm
talking to myself again, is there anybody listening
        G                    Gm
are you taking this in, am i wasting my breath
     D                                  A
tell me, is the wind in your sails worth everything you give
        Bm                     A
are you looking for something, forgiveness
-
  G              A                D            Bm
i leave it up to you, i guess i m better off removed
            G                       Gm
because the situtations growing too thick,
        D
in your hands
-
      D
could it have been something i said,
   Bm
or was it something that i did
      G                       Gm
did i ruin my chance, have you written me off
     D
tell me where did i cross the line,
        A
and can i work my way back this time
       Bm                  A
will i always regret this decision
  G              A
i leave it up to you,
           D             Bm
i hope you find a good excuse because
     A                          G
i ve given about all that i can give,
        D
in your hands
```

solo -**D**,**F#m**-SLIP IN TO **F#**,**Bm G**

```
        D                      Bm
are you taking this in, am i wasting my breath
      G                        A
did i ruin my chance, have you written me off
-
D                                     Bm
i could try to count the times that i ve been through this in my mind,
        G                             Gm                       D
but i m running out of fingers and i don t have that much time
```

-the last two chords can go, F,G,C,Fm
play it in a tuning where you can sing it
