Gravity
A Perfect Circle

A Perfect Circle - Gravity
Post by - metalmetalhead
Standard tuning, odd timing

[Verse]
C#m
Lost again, broken and weary
F#
Unable to find my way
C#m
Tail in hand, dizzy and clearly
F#
Unable to just let this go

[Chorus]
C#m   **E**   **F#**   **C#m**
I am surrendering to gravity and the unknown
C#m   **E**
Catch me, heal me,
F#   **C#m**
Lift me back up to the sun
C#m
I choose to live...

[Verse]
C#m
I fell again, Like a baby
F#
Unable to stand on my own
C#m
Tail in hand, dizzy and clearly
  F#
Unable to just let this go

[Chorus]
C#m   **E**   **F#**   **C#m**
I am surrendering to gravity and the unknown
C#m   **E**
Catch me, heal me
F#   **C#m**
Lift me back up to the sun
E
I choose to live...
F#
I choose to live...
C#m
I choose to live...

[Chorus]
C#m   **E**
Catch me, heal me
F#   **A**
Lift me back up to the sun
F#   **E**   **Cm**
Help me survive the bottom

[Interlude]
C#m   **F#**
Calm these hands before they
C#m   **F#**
Snare another pill and
C#m   **F#**
Drive another nail down
C#m   **F#**
Another needy hole
            G#m
Please release me

[Chorus]
C#m   **E**   **F#**   **C#m**
I am surrendering to the gravity and the unknown
C#m   **E**
Catch me heal me
F#   **C#m**
Lift me back up to the sun
E
I choose to live...
F#
I choose to live...

[Outro]
C#m
