please tell me what you think about it!

This are the chords for the whole song!

/ **G** / **D** / **Em** / **Bm** / **D** /

Have fun!

```
G                      D
They told me I m no good,
                                  Em
Wore me down like I knew they would,
                         Bm
Like dreams are impossible,
       D              G
If you don t fit no more,
                           D
Use me up and they let me go,
                Em
Now I m crying solo,
                                Bm
Cut me fast and I m bleeding slow,
        D                G
Not the girl I used to know,

                                   D
And you feel you will never be heard,
                               Em
So small in this great big world,
                       Bm
but you re gonna make it,
D                          G
I know you re gonna break it,

            D
I know it hurts,
            Em
I know it burns,
                             Bm
They cut with razor blade words,
        D         G
And you die a little,
                 D
```

Know you re beautiful,
Em
You are worth so much more,
Bm
We will rise above it all,
D G
Little by little

G D
When you re tipping on a tight rope,
Em
Your knees are shaking and you re losing hope,
Bm
Keep your head up don t look down,
D G
Keep looking forward and ignore the crowd,
D
You will thank them for the pain,

For the disbelief,
Em
The shame,

It s gonna be the loss,
Bm
Your gain,
D G
Who needs them anyway,

D
So you feel you will never be heard,
Em
So small in this great big world,
Bm
but you re gonna make it,
D G
I know you re gonna break it,

D
I know it hurts,
Em
I know it burns,
Bm
They cut with razor blade words,
D G
And you die a little,
D
Know your beautiful,
Em
You are worth so much more,
Bm
We will rise above it all,
D G

Little by little.

```
                D
Don t blame yourself,
                Em
Don t let them win,
             Bm
Don t hide away,
            D            G
This is a fight you can win,
             D
Up in your room,
                                  Em
Like no one cares where you ve been,
             Bm
You re not alone,
              D        G
Just let the daylight in,

            D
I know it hurts,
            Em
I know it burns,
                            Bm
They cut with razor blade words,
        D        G
And you die a little,
                 D
Know you re beautiful,
                       Em
You are worth so much more,
                       Bm
We will rise above it all,
D           G
Little by little,

            D
I know it hurts,
            Em
I know it burns,
Bm
Ohh,
D            G
Little by little,
                 D
Know you re beautiful,
                        Em
You are worth so much more,
                       Bm
We will rise above it all,
D            G
Little by little.
