

Love Song

A Perfect Circle

(intro) **Am G F Em**

Am G F Em

screaming out the window

Am G F Em

Watch me die another day

Am G F Em

hopeless situations

Am G F Em

endless price i ll have to pay

a little break just keep the pattern going

diary of a madman

walk the line of yesterday

entries of confusion

dear diary i m here to stay

(chorus)

F G
Sanity now and beyond me

C Am
i will always love you

F G
however long i stay

C Am
i will always love you

F G
whatever words i say

C Am
i will always love you

F Am G F Em
there s no choice

(back to the verse rythem)

when ever i m alone with you
you make me feel like i m whole again

voices in the darkness
scream away my mental health
can i ask a question
to help me saveme from myself

sanity now and beyond me
i will always love you

however long i stay
i will always love you
whatever words i say
i will always love you
there s no choice

i will always love you

whenever i m alone with you
you make me feel like i m whole again
whevever i m alone with you
you make me feel like i m whole again

i will always love you
there s no choice
