

Love Song

A Perfect Circle

(intro) **Am G F Em**

**Am G F Em**

screaming out the window

**Am G F Em**

Watch me die another day

**Am G F Em**

hopeless situations

**Am G F Em**

endless price i ll have to pay

a little break just keep the pattern going

diary of a madman

walk the line of yesterday

entries of confusion

dear diary i m here to stay

(chorus)

**F G**  
Sanity now and beyond me

**C Am**  
i will always love you

**F G**  
however long i stay

**C Am**  
i will always love you

**F G**  
whatever words i say

**C Am**  
i will always love you

**F Am G F Em**  
there s no choice

(back to the verse rythem)

when ever i m alone with you  
you make me feel like i m whole again

voices in the darkness  
scream away my mental health  
can i ask a question  
to help me saveme from myself

sanity now and beyond me  
i will always love you

however long i stay  
i will always love you  
whatever words i say  
i will always love you  
there s no choice

i will always love you

whenever i m alone with you  
you make me feel like i m whole again  
whever i m alone with you  
you make me feel like i m whole again

i will always love you  
there s no choice
