**I Choose U**
**Timeflies**

Intro: **F# G# C#**

1ª Parte:

**B**
Late nights, New York, trouble on my mind;
**B**
Crossed town to the west and I m wasting my time.
**Ebm**
Down south back roads, dust clouds the air.
**C#**
Chevrolet in the backseat, but it wasn t there.
**B**
Missed the flight out of Heathrow, got stuck up in a one room flat.
**B**
Cause  she s so fit, tryna hold me down, while I was just trying to get back.
**Ebm**
Malibu, beach blond, crashing on these shores.
**C#**
Got a smile shining like gold, but that smile wasn t yours.
(**C#**)
I know, I know, I know, I know...

Refrão:

**B**
Everybody needs somebody to love.
**B**
Everybody needs somebody to love.
**Ebm**
And I choose you. (And I choose you.)
**C#**
And I choose you.
**B**
Everybody needs somebody to love.
**B**
Everybody needs somebody to love.
**Ebm**
And I choose you. (Yeaah, yeah.)
**C#**
And I choose you-u-u.

And I choose you-u-u-u

( **B F# Ebm C#** x2)

2ª Parte:

**B**
High heels, dirty talk, hand cuffs and chains.
**B**
Nails down my back, but I never knew her name.
**Ebm**
Bright eyes, sun dress, daddy s little girl.
**C#**
She changed my life, but you changed my world.
(**C#**)
And I know, I know, I know, I know...

3ª Parte:

       **B**
You re every place that I ve been baby, you re every face that I ve seen;
       **Ebm**                                **C#**
You re everywhere and I m going crazy, your body s rockin my dreams;
       **B**
You re always up in my mind, you re everywhere that I go;
       **Ebm**                        **C#**
You re everything in this time, so girl I m lettin you know;
         **B**
That I m, rolling up in a fly whip, come ride this and just close your eyes;
**Ebm**                                **C#**
    Showin up with my sidekick, my, superhero with a dope disguise;
**B**
  No wonder woman, all our dreams are coming true;
            **Ebm**                            **C#**
So don t be scared of losing me, cause I m always choosing you.
