[Verse 1]
```
D                                    A
If you gotta start somewhere why not here.
Bm                                   G
If you gotta start sometime why not now.
D                                  A
If we gotta start somewhere I say here.
Bm                                 G
If we gotta start sometime I say now.
Em
Through the fog there is hope in the distance.
Bm                                        D
From Cathedrals to third world missions.
                                            B
Love will fall to the earth like a crashing wave.
```

[Chorus]
```
D                                                A
Tonight s the night! for the sinners and the saints.
             D                      G
Two worlds collide! in a beautiful display.
D                                                  A
It s all love tonight, when you step across the line.
                       Em                       Bm
We can sail across the sea, to a city with one King.
               D
A city on our knees.
```

[Verse 2]
```
D                                    A
If you gotta start somewhere why not here.
Bm                                   G
If you gotta start sometime why not now.
D                                  A
If we gotta start somewhere I say here.
Bm                                 G
If we gotta start sometime I say now.
