Long Way Down
Tom Odell

```
C               Em
Walking on the rooftops
Am         F
Talking of times
C                Em
With our eyes a glowing
Am             F
Like the city lights
    C              Em
She stands on the ledge,
           Am             F
She says,  it looks so high

You know it s a...

C    Em  Am     F
Long way down
             C    Em  Am      F
Feels like a long way down
             C    Em  Am      F
Feels like a long way down
       C    Em  Am      F
Like a long way down
         Em
So honey don t leave, don t leave,
             F
Please don t leave me now

          C        Em
Cuz I can feel the rivers
        Am          F
Winding through the lands
    C            Em
Two lines, and a poet (you know)
       Am       F
Like a kind old rye
                  C            Em
You know we could talk in that language
        Am     F
Only we understand

But you know..

       C    Em  Am     F
It s a long way down
             C    Em  Am      F
Feels like a long way down
```

```
             C    Em  Am      F
Feels like a long way down
       C    Em  Am      F
Like a long way down
         Em
So honey don t leave, don t leave,
             F
Please don t leave me now
```
