A Little Rain
Tom Waits

[Intro]
C# F# C#

[Verse]
```
         C#                 F#
Well the Ice Man s mule is parked
            G#
Outside the bar
        C#          F#   C#
Where a man with missing fingers
        G#7
Plays a strange guitar
        C# F#  C#
And the German dwarf
                G#7
Dances with the butcher s son
```

[Refrain]
```
    C#                F#         C#            G#7
And tonight a little rain never hurt no one
```

[Verse]
```
        C#
They re dancing on the roof
        F#                G#
And the ceiling s coming down
      C#         F#  C#           G#7
And I sleep with my shovel and my leather gloves
      C#  F# C#               G#7
And a little trouble makes it worth the going
```

[Refrain]
```
      C#     F#         C#      G#7
And a little rain never hurt no one
```

[Bridge]
```
        C#
Oh, the world is round
     F#       C#
And  I ll go around
                            F#        G#
You must risk something that matters
   C#
My hands are strong
          F#      C#
I ll take any man here
```

```
If it s worth the going
     F#        G#7
It s worth the ride

[Verse]
        C#
She was 15 years old
          F#              G#
And she d never seen the ocean
    C#        F#   C#
She climbed into a van
       G#7
With a vagabond
        C#         F#  C#
And the last thing she said
       G#7
Was
```
