A Plastic Rose

A PLASTIC ROSE - TWO STEPS

LYRICS - GERRY NORMAN

TABBED - @Darren_Mallett

The timing of this got f@#ked when I copied it from Microsoft word to here but the chords are perfect so play it with the song to get the strum. It s generally easy.
Standard tuning, no capo.

G **D** **A** **Bm** **D**
Two steps from you I take

A **Bm** **D**
Just to get a second look

A **Bm** **D**
As the sun goes down for you

A **Bm** **D**
I breathe a sigh of relief

Itâ€™s like weâ€™re catching on

Bm **D** **G** **A** **Bm**
You canâ€™t always just count on me

D **G** **A** **Bm**
You proved that youâ€™d do the same for me

D **G** **A**
When I spent 3 days with you

Bm **G**
Now you are the sun now you are the sun

A **Bm** **D**
I may not be any use

A **Bm** **D**
But to your family youâ€™re you

A **Bm** **D**
But ill just stand here and hope

A **Bm** **D**
Hope that you see this through

Bm **D** **G** **A** **Bm**
You canâ€™t always just count on me

D **G** **A** **Bm**
You proved that youâ€™d do the same for me

D **G** **A**
When I spent 3 days with you

Now you are the sun now you are the sun
Now you are the sun now you are the sun
Now you are the sun
Now you are the sun, the sun, the sun, sun

Bm **D** **G** **A** **Bm**
