You Can Never Hold Back Spring
Tom Waits

(intro) **E B B/Bb E/F#**

```
  E                      B     B/Bb        C#m             A
You   can never hold back spring
                   E               B
You can be sure   I will never
                    C#m            A
Stop believing
A                                                          E               E7
        The blushing rose they will climb
A                                                  E
        Spring ahead or fall behind
                 A
Winter dreams the same dream
           F#m
Every time

           E                          B    B/Bb       E/F#
Baby you    can never hold   back    spring
            Bm7                     E7              A
Even though         you ve lost your way
                            F#m                                    G#
The world is dreaming         dream of spring

C#m                    G#m
      So close your eyes
C#m               G#m
      Open your heart
       A                                        B
To one      who s dreaming of you

           E                       B     B/Bb            C#m       A
Baby You   can never hold   back    spring
                          E                        B
Remember everything   that spring
              C#m
Can bring
            E                         B    B/Bb         C#m       A
Baby you     can never hold  back    spring
           E                            B     B/Bb          E/F#
Baby you     can never hold     back    spring
