[Intro]
B

[Verse]
C#m
Love is tragic, Love is bold
                                    B
You will always do what you are told
C#m
Love is hard, Love is strong
                                      B
You will never say that you were wrong
C#m
I don t know when I got bitter
B                                   A
But love is surely better when it s gone

[Chorus]
                    E
Cause you wanted more
                  B
More than I could give
                  A
More than I could handle
               C#m       B
In a life that I can t live
              E
You wanted more
                 B
More than I could bear
                 A
More than I could offer
```

```
                  C#m   B
For a love that isn t there

[Verse]
C#m
Love is colour, Love is loud
                                       B
Love is never saying you re too proud
C#m
Love is trusting, Love is honest
                                        B
Love is not a hand that holds you down
C#m
I don t know when I got bitter
B                                    A
But love is surely better when it s gone

[Chorus]

(A)

B                                 A
I got to pick me up when I am down
B                                        A
I got to get my feet back on the ground
B                                 A
I got to pick me up when I am down
C#m
I don t know when I got bitter
B                               A
Love is surely better when it s gone

[Chorus]

              E
You wanted more
                 B
More than I could love
                 A
More than I could offer
                 C#m   B
The harder you would shove
              E
You wanted more
                 B
More than I could give
                 A
More than I could handle
               C#m       B
In a life that I can t live
