Baby Were Invincible
A Rocket To The Moon

Artist: A Rocket To The Moon
Song: Baby, Were Invincible
Album: Summer 07 EP

This is my acoustic take on the original.
I just strum through the entire song.(no pauses like the original!)
It sounds pretty nice.
Have Fun :D!

CAPO: 2nd fret~
*all chords are relative to the capo!

```
     E       B5      C#      Am

Verse:
E   **B5**
 I see you, and I m waiting to make my move
C#   **Am**
 But I m scared and I know that you got better things to do
E   **B5**
 I ll touch your hand and I m wearing my heart on my sleeve
C#   **Am**

```
  Its cliche I know but baby its the price we pay
E                             B5
 To get the things we wanted, and get the things we ve left behind
C#                                   Am
 Its what you wanted, what you needed, what you always dreamt about
E
 Don t take another step
B5
 Don t breathe another breath
C#                     Am
 Unless you re coming back to me

Chorus:
E            B5
 I m trusting you
            Am
 And I m taking the long way home
E        B5
 I m leaving
          Am
 And its not because of you
E              B5                 Am
 Will you just hold me tight and never let me go
E     B5
 I know this whole thing s wrong
 Am
But baby, we re invincible

(Do Intro Plucking)
 *or E, B5, C#, Am (x2)

Verse 2:
E
 If could take these words
B5
 And fill them up with air
C#
 I d fly you to the stars
Am
 So we could disappear
E
 If I could take your heart
B5
 And keep it close to me
C#
 I swear it will not break
Am
 I swear it will not bleed
E              B5
And I believe, just anything you say
C#                         Am
```

```
           If you would tell me to get lost I d ask how far away
E                      B5
  And now its getting late
                       C#
And I can t keep my eyes open
           Am
But my heart s open for you

Chorus:
E             B5
  I m trusting you
             Am
  And I m taking the long way home
E         B5
  I m leaving
            Am
  And its not because of you
E               B5                   Am
  Will you just hold me tight and never let me go
E      B5
  I know this whole thing s wrong
  Am
But baby, we re invincible

*you can omit this part if you want,
 or you can play through it lightly
 with the chord progression of the chorus
 -it plays softly in the background of the original version:

Will you just hold me tight
And never let me go?
I know this whole things wrong
But baby, we re invincible

Will you just hold me tight (I see you)
And never let me go? (I m waiting to make my move)
I know this whole things wrong (But I m scared and I know)
But baby, we re invincible (That you got better things to do)

*on final chorus whatever is in parentheses is sung in the background

Chorus:
E             B5
  I m trusting you (If I could take these words)
           Am
  And I m taking the long way home (And fill them up with air)
E         B5
  I m leaving (I d fly you to the stars)
            Am
  And it s not because of you (So we can disappear)
E          B5
  Will you just hold me tight (If I could take your heart)
```

```
      Am
 And never let me go? (and keep it close to me)
E     B5
 I know this whole things wrong (I swear it will not break)
Am
 But baby, we re invincible (I swear it will not bleed)

E            B5
 I m trusting you (If I could take these words)
          Am
 And I m taking the long way home (And fill them up with air)
